FOR QUESTIONS PERTAINING TO THE PURCHASE OF TICKETS:

tickets@northernvirginiachorale.org

During our regular Performing Season, you may buy tickets through our website's Box Office page; or by downloading our Tickets, Ads and Donations form; specify your concert choices and complete and return it with a check for the number of tickets you are purchasing.

In general, we offer three ticket purchase options:

Adult Tickets — \$20 purchased in advance; and \$25 at the door.

Student Tickets — \$10. Children up to 12 years old attend for free.

Full Season Pass — \$50, which includes our traditional three concerts per year.

If you purchase a ticket online through our PayPal system, you will be directed to a page after you make your purchase where you may download a PDF ticket file that you can save to your computer, and then print from home to bring with you to the concerts you attend. If you have any questions about your ticket(s), or need assistance with your purchase, you may use this email to contact the NV Chorale's ticket manager.

For concerts where we are performing with other choral and musical groups, such as we did in the *Carmina Burana* performance with The Reunion Music Society in the fall of 2019, we

will provide ticket purchase information on our website and to direct you to the organization's website where you may purchase those tickets.
